About IMA-ISMD

With the advent of more and more healthcare facilities arises the need of nurturing great medical assistants.

We, at IMA-ISMD have a strong and unwavering commitment to train and place personnel in the Para-medical field who are qualified to assist physicians and dentists. Specialized training enables graduates to further extend the services offered by health-care professionals to a greater number of people with competence and efficiency. Students must excel both clinically and academically. They are encouraged and motivated to become an integral part the credit to the allied health professions.

The use of innovative distance education technology helps us provide one of the most affordable medical assistant programs available anywhere! In addition, our team of consulting educators, physicians, nurses and other health care providers are always available to assist you in your studies.

According to the Department of Labor for most of the countries, “Medical & Dental Assistant employment is projected to grow much faster than average, ranking medical & dental assisting among the fastest growing occupations over the next decade. Job opportunities should be excellent, particularly for those with formal medical & dental assistant training.”

We are now offering formal training through Distance Learning in collaboration with International Universities which is globally recognised & accepted & well accredited. Our program will allow you to study at your own pace and convenience.

We offer flexible Distance Learning medical assistant education and training certificate programs for all working adults or aspiring professionals.

Why Distance Learning

Distance Learning offers IMA students a flexible, convenient way to earn college credit. Instead of attending traditional classes’ on-campus, students satisfy course objectives independently using instructional technologies, giving busy students access to coursework virtually anytime, anywhere.

Students receive the course syllabus, assignment and exam schedules, and information about course requirements and performance criteria for the semester.

About IMA

The Indian Management Academy – IMA is an academically independent self financed autonomous certification body offering various diplomas & certification courses in affiliation with prestigious International Universities to award Joint Degree / Double Degree. IMA is founded by Confederation of Indian Healthcare Foundation (CIHF) Est. & Regd. under B.P.T., Act-XXIX of 1950, established in the year 2005 is a non-government, not-for-profit organization registered in Gujarat, Ahmedabad, INDIA to enhance the management skills of students, groups, hospitals, government agencies, NGO organizations, environmental groups, and others in the corporate sectors & institutions across the globe.

Teaching & Examination Methodology

The courses concentrates more on grooming the students as per the current industry requirement & not just theoretically. Giving flexibility to them so that they can study anywhere anytime. IMA follows an International examination pattern known as an Open Book Examination which enables the students to be more innovative and not just bookish.

100% Job Placement Assistance Lifetime

IMA offers 100% Job Placement assistance life time to all the student alumni through our global placement partner IBERIS INC.
